## PhilaPort

(The Port of Philadelphia)

PhilaPort is an independent agency of the Commonwealth of Pennsylvania charged with the management, maintenance, marketing and promotion of port facilities along the Delaware River in PA. PhilaPort works with its terminal operators to improve the facilities, market the facilities to prospective global port users and also create strategic plans for future needs. Port cargoes and the activities they generate are responsible for thousands of direct and indirect jobs throughout Pennsylvania.

In 2019, PhilaPort was the fastest growing Port in North America, according to Am. Assoc. of Port Authorities. In 2020, World Bank said it was the most productive port in the US.
